

EL HONORABLE CONGRESO CONSTITUCIONAL DEL ESTADO LIBRE Y SOBERANO DE COLIMA, EN EJERCICIO DE LAS FACULTADES QUE LE CONFIEREN LOS ARTÍCULOS 33 Y 40 DE LA CONSTITUCIÓN POLÍTICA DEL ESTADO LIBRE Y SOBERANO DE COLIMA, EN NOMBRE DEL PUEBLO, EXPIDE EL PRESENTE DECRETO, CON BASE EN LOS SIGUIENTES

ANTECEDENTES:

1.- Con fecha 09 de diciembre de 2019, la Mtra. Marha María Zepeda del Toro, Secretario del H. Ayuntamiento Constitucional de Manzanillo, mediante oficio número SE.OF.684/2018 de fecha 29 de octubre de 2019, remitió a este Poder Legislativo, para su aprobación, una iniciativa con proyecto de decreto por la que se proponen las Tablas de Valores Unitarios de Terreno y Construcción para el Municipio de Manzanillo, Colima; glosando al citado oficio la copia fotostática certificada del Acta de la Sesión de Cabildo 38 de carácter extraordinaria, celebrada en fecha 06 de diciembre de 2019, de la que se advierte la aprobación unánime por parte de los integrantes del Honorable Cabildo Municipal.

2.- Es así que, mediante oficio número DPL1070/2019 signado en fecha 16 de diciembre de 2019, las Diputadas Secretarías de la Mesa Directiva, del Honorable Congreso del Estado, en Sesión Pública Ordinaria celebrada en la misma fecha, turnaron a esta Comisión de Hacienda, Presupuesto y Fiscalización de los Recursos Públicos, la iniciativa a que se hace alusión para efectos de su estudio, análisis, y elaboración del dictamen respectivo. Sin embargo, es menester indicar que del contenido de la iniciativa los Diputados integrantes de la Comisión Dictaminadora tomaron conocimiento el viernes 13 de diciembre de 2019, fecha en la que se desarrollaron los trabajos inherentes a la aprobación de las Tablas de Valores Unitarios de Terrenos y Construcción de los Municipios de la Entidad.

3.- Como ha quedado asentado en dictámenes elaborados previamente por ésta Comisión, el día 9 de diciembre de 2019 se celebraron reuniones de trabajo con:

- El Instituto para el Registro del Territorio del Estado de Colima (IRTEC), compareciendo el Director General, Licenciado Arturo Bravo Salazar;
- La Dirección de Catastro del Estado de Colima, compareciendo el Ingeniero Francisco Manuel Sánchez Hurtado;
- El Instituto Técnico Hacendario del Estado de Colima (INTHEC), por conductor del Director General el C. L. E. Oscar A. Valdovinos Anguiano; y

- El Colegio de Valuadores del Estado de Colima, a través de su Presidente el C. Arquitecto Milton de Alva Gutiérrez.

4.- En tanto que el día 11 de diciembre se celebraron reuniones con los 9 Ayuntamientos, incluyendo el de Manzanillo, compareciendo solamente el El Tesorero Municipal, M. C. Eduardo Camarena Berra, el Director de Catastro, Ingeniero José Daniel Topete Gómez y el Director de Ingresos, Licenciado Héctor Valdez Magaña;

5. Derivado de la reunión que se desahogó con el Director General, y demás funcionarios, del Instituto para el Registro del Territorio del Estado de Colima, se previó necesario solicitar de su colaboración a efecto de que remitieran a esta Soberanía toda aquella información que obrara en sus archivos, relativa a las Tablas de Valores Unitarios que han elaborado los Municipios de la Entidad, la cual fue allegada por el Director de Catastro del Estado, mediante oficio identificado con el número 821/2019, y también por el Director General del Instituto para el Registro del Territorio del Estado de Colima mediante diverso IRTEC/DG459/2019, los cuales se agregan al presente dictamen como soporte documentario y demás anexos correspondientes.

6.- De estas reuniones se derivó la siguiente información sustanciosa, que reproducimos a continuación:

- a) Se celebraron por parte de las áreas técnicas de Catastro y de la Tesorería de los 10 Municipios que conforman la Entidad, reuniones de trabajo con aquellos Entes y Colegio indicados en el antecedente número 5 del presente dictamen;
- b) Existió el asesoramiento técnico a cada uno de ellos para que estuvieran en condiciones de proponer a ésta Legislatura las tablas de valores correspondientes a cada municipalidad;
- c) Existen mapeos llevados a cabo por los Municipios con auxilio del Instituto para el Registro del Territorio, a efecto de determinar con exactitud la densidad urbana que conforma los padrones catastrales;
- d) Específicamente ha existido una revalorización catastral que impacta al pago del impuesto predial respecto de aquellos terrenos o casas habitación en donde ha existido una transmisión patrimonial. En tanto que aquellos otros que se han mantenido sin traspaso alguno, han conservado factores y bases de cobro que no han sufrido incrementos;
- e) El Colegio de Valuadores ha apoyado a los Ayuntamientos en el proceso de mapeo y actualización de valores catastrales, destacándose el del Ayuntamiento de Manzanillo, en donde se reporta un trabajo detallado, que la labor de dicho Colegio es realizar todo

2018-2021
**H. CONGRESO DEL ESTADO
DE COLIMA
LIX LEGISLATURA**

el proceso de encuestas, estadísticas, verificación de valores comerciales, interpretando para ello las fuerzas del mercado y respecto de la demanda de adquisición de terrenos y de casas, como también de la plusvalía que en los centros de población adquieren algunas propiedades por la infraestructura a la que se encuentran cercanas y de la nula recuperación de la inversión que tendrán aquellos propietarios que construyan en zonas en donde el mercado impone una demanda menor;

- f) Que las haciendas públicas municipales están perjudicadas porque no ha existido el respaldo en la aprobación de las tablas de valores unitarios de terreno y de construcción, que sienten la base de los valores catastrales determinantes para el cobro del Impuesto Predial, y esto en la actualidad representa un riesgo en la obtención de los ingresos, que tanto se requieren para los servicios públicos municipales que demanda la ciudadanía de cada Ayuntamiento.

7.- Por lo antes expuesto, los Diputados que integramos esta Comisión Legislativa, procedimos a realizar el siguiente:

ANÁLISIS DE LA INICIATIVA:

I. La iniciativa que presenta la Secretaría del H. Ayuntamiento Constitucional de Manzanillo, Colima, en la exposición de motivos que la sustentan establece literalmente lo siguiente:

“PRIMERO.- El artículo 31, fracción IV, de la Constitución Política de los Estados Unidos Mexicanos establece que es obligación de los mexicanos contribuir para los gastos públicos de la Federación, así como del Distrito Federal o del Estado y Municipio en que residan, de la manera proporcional y equitativa que dispongan las leyes.

SEGUNDO.- Por su parte, el artículo 115 de la Constitución Política de los Estados Unidos Mexicanos y el artículo 90 fracción IV de la Constitución Política del Estado Libre y Soberano de Colima, disponen que los Municipios administrarán libremente su hacienda, la cual se formara de los rendimientos de los bienes que les pertenezcan, así como de las contribuciones y otros ingresos que las legislaturas establezcan a su favor, y en todo caso percibirán, entre otras, las contribuciones, incluyendo tasas adicionales, que establezcan los Estados sobre la propiedad inmobiliaria; para lo cual, los Ayuntamientos, en el ámbito de su competencia, propondrán a las

2018-2021
**H. CONGRESO DEL ESTADO
DE COLIMA
LIX LEGISLATURA**

Legislaturas estatales las cuotas y tarifas aplicables a impuestos, derechos, contribuciones de mejoras y las tablas de valores unitarios de suelo y construcciones que sirvan de base para el cobro de las contribuciones sobre la propiedad inmobiliaria.

Por otra parte, la Ley del instituto para el Registro del Territorio del Estado de Colima, que es el ordenamiento legal que regula la función catastral, registral, territorial y del comercio del Estado, establece en su artículo 126, fracción II, que corresponde a los Ayuntamientos elaborar las tablas generales de valores unitarios de terreno y de construcción del Municipio de su jurisdicción, y enviarlas al Congreso del Estado para su aprobación.

TERCERO.- Que el quinto transitorio del decreto que reforma el artículo 115 de la Constitución Política de los Estados Unidos Mexicanos, publicado en el Diario Oficial de la Federación el 23 de diciembre de 1999, ordena que las Legislaturas de los Estados, en coordinación con los Municipios respectivos, adopten las medidas conducentes, a fin de que los valores unitarios de suelo que sirven de base para el cobro de las contribuciones sobre la propiedad inmobiliaria sean equiparables a los valores de mercado de dicha propiedad y procederán, en su caso, a realizar las adecuaciones correspondientes a las tasas aplicables para el cobro de las mencionadas contribuciones, con la finalidad de garantizar su apego a los principios de proporcionalidad y equidad.

CUARTO.- En fecha 30 de diciembre de 2000, fueron publicadas en el Periódico Oficial "El Estado de Colima" las Tablas de Valores Unitarios de Terreno Urbano de los diez Municipios del Estado de Colima, para el ejercicio fiscal 2001, de acuerdo con las facultades que la entonces Ley de Catastro del Estado de Colima otorgaba al Titular del Poder Ejecutivo. Dichos valores unitarios fueron aprobados, tal como se desprende de los ACUERDOS primero y segundo, únicamente para el ejercicio fiscal 2001, por lo que dejaron de tener vigencia para los ejercicios fiscales posteriores.

Las leyes de Hacienda del Municipio de Manzanillo de los ejercicios fiscales subsecuentes, así como las leyes de Hacienda de los demás Municipios del Estado, establecen que la base del impuesto predial es el valor catastral de los predios, que incluye el de los terrenos y de las construcciones adheridas a los mismos, y que el valor de los predios determinado en forma general, con base en las tablas de valores

catastrales, surtirá todos sus efectos con la publicación de dichas tablas en el Periódico Oficial "El Estado de Colima".

En ese tenor, el impuesto predial que pagan todos y cada uno de los contribuyentes, no solo del Municipio de Manzanillo, sino de toda la entidad, ha sido calculado tomando como base una tabla de valores que dejó de tener vigencia a partir del 01 de enero de 2002; lo que ha colocado en una condición sumamente vulnerable al Municipio, dada la ilegalidad señalada en el cobro del impuesto predial, ya que la aplicación de los valores unitarios de terreno y de construcción publicados el 31 de diciembre de 2001 vulnera los principios tributarios de legalidad y reserva de ley.

El primero de los principios mencionados radica en que es necesaria una ley formal para el establecimiento de los tributos. En el caso del principio de reserva de ley, es factible que otras fuentes de Ley vengan a regular de forma específica el tributo establecido en la Ley, pero única y exclusivamente en los términos establecidos en la propia Ley primaria.

En este caso, la aplicación de la tabla de valores unitarios para el cálculo del impuesto predial, está supeditada a que sea emitida año con año, con base en los valores actualizados de mercado. Sin embargo, esta situación en el caso no ha sucedido, toda vez que en los 10 Ayuntamientos del Estado de Colima se ha venido aplicando un ordenamiento que no es vigente.

Aunado a lo anterior, los valores unitarios de terreno urbano han sido aplicados hasta la fecha, incluso a las manzanas de nueva constitución o creación, bajo el esquema de valores unitarios provisionales; sin embargo, independientemente de su marcada violación a los principios tributarios, su aplicación resulta desfasada respecto de la realidad de las diferentes zonas catastrales de los municipios, en virtud de que el último análisis técnico realizado fue hace 18 años.

QUINTO.- Es por lo antes expuesto que se turno al Cabildo el día 11 de octubre del presente año, las tablas de valores unitarios para el 2020 que a su vez fueron enviadas para su dictamen y aprobación a la Comisión de Hacienda."

II.- Analizada que es la iniciativa de mérito, la Diputada y los Diputados que integramos esta Comisión de Hacienda, Presupuesto y Fiscalización de los Recursos, mediante citatorio emitido

por su Presidente, sesionamos el día 16 de diciembre de 2019 durante el receso de la sesión que se celebró el día actual, a efecto de realizar el proyecto de dictamen correspondiente, con fundamento en los artículos 90 a 93 de la Ley Orgánica del Poder Legislativo del Estado de Colima y con base en los siguientes:

CONSIDERANDOS:

PRIMERO.- De conformidad con el artículo 115, fracción IV, de la Constitución Política de los Estados Unidos Mexicanos, cuya reforma en materia del dictamen que nos ocupa, data de la publicación inserta en el Diario Oficial de la Federación del 23 de diciembre de 1999, en el marco del fortalecimiento de las Haciendas Públicas Municipales, los Ayuntamientos, en el ámbito de su competencia, propondrán a las legislaturas estatales las cuotas y tarifas aplicables a impuestos, derechos, contribuciones de mejoras y las tablas de valores unitarios de suelo y construcciones que sirvan de base para el cobro de las contribuciones sobre la propiedad inmobiliaria. De esta forma surge una competencia desde la Base Constitucional Federal para este Poder Legislativo, sumado a que en el artículo Quinto Transitorio de esa reforma, refrendó el diseño de una coordinación con los Municipios de la Entidad, para adoptar las medidas conducentes a fin de que los valores unitarios de suelo que sirven de base para el cobro de las contribuciones sobre la propiedad inmobiliaria sean equiparables a los valores de mercado de dicha propiedad y de proceder, en su caso, a realizar las adecuaciones correspondientes a las tasas aplicables para el cobro de las mencionadas contribuciones, a fin de garantizar su apego a los principios de proporcionalidad y equidad.

SEGUNDO.- Esta Comisión de Hacienda, Presupuesto y Fiscalización de los Recursos Públicos resulta ser la competente para proponer al Pleno la aprobación de las tablas de valores unitarios de suelo y construcciones, como también de sus modificaciones pertinentes, porque la interpretación armónica de las fracciones I, II, III, VI, VII y VIII, del artículo 54, del Reglamento de la Ley Orgánica del Poder Legislativo, informa que ha sido aquella la competente para analizar y dictaminar la pertinencia, procedencia o improcedencia de propuestas de reformas a las Leyes de Hacienda Municipales, Leyes de Ingresos e Incentivos Fiscales, como consta en las memorias legislativas de esta Legislatura y de las precedentes, sumado al hecho de que la Mesa Directiva turnó formal conocimiento para el análisis correspondiente de las solicitudes de aprobación de las tablas de valores unitarios de cada Municipio.

TERCERO.- Mediante Decreto 184, publicado en el Periódico Oficial “El Estado de Colima” en fecha 29 de diciembre de 2001, fueron declaradas vigentes para todos los efectos legales conducentes, para el ejercicio fiscal 2002, las Tablas de Valores Unitarios de Terreno Urbano, Rústico y Construcción de los 10 Ayuntamientos del Estado de Colima, que estuvieron en vigor durante el año 2001. Es un hecho notorio para la y los Diputados que integramos la Comisión Dictaminadora, que debe serlo también para los servidores públicos municipales, para el Órgano Superior de Auditoría y Fiscalización Gubernamental, como también para las y los ciudadanos del Estado de Colima, que con posterioridad a esa publicación ninguna aprobación de distintas tablas fue generada, excepción hecha del Municipio de Minatitlán, a quien mediante Decreto 436, de fecha 14 de diciembre de 2017, y que se publicó en el referido órgano de difusión oficial el 30 de diciembre de 2017, le fueron aprobadas las Tablas de Valores Unitarios de Terreno y de Construcción para el ejercicio fiscal 2018. Un distinto hecho que se destaca, es que al inicio de esta LIX Legislatura, no fue recibida solicitud alguna de aprobación de tablas de valores unitarios de suelo y construcciones o de modificación u actualización en el caso del Ayuntamiento de Minatitlán.

CUARTO.- Bajo esa premisa, existe la necesidad de que este Poder Legislativo en cumplimiento de una disposición Constitucional Federal, ejecute la coordinación dispuesta desde el año 1999, pues si bien el Decreto 184 antes mencionado, cumplió a cabalidad con la Disposición Transitoria Quinta de la Reforma Constitucional de 1999 supra citada, no continuó a partir del 2003 emitiendo los actos material y formalmente legislativos a través del cual aprobara año con año las tablas de valores unitarios de suelo y construcciones, resultando indispensable entonces que a partir del 1º de enero de 2020 se fortalezca la recaudación del impuesto predial en la Hacienda Pública Municipal de Manzanillo, porque es evidente que durante casi dos décadas no han sido ajustados los valores con la aproximación debida a los del mercado imperante y visible en las transacciones que generan los dueños de la propiedad inmobiliaria, lo cual refleja la buena voluntad de las administraciones municipales de no lesionar la economía de sus habitantes, pero por otro lado motiva a esta Soberanía a adoptar como primer medida, a fin de que se escale a esa homologación de valor comercial, a aprobar los valores unitarios de suelo y de construcción propuestos, que servirán de base para el cobro de las contribuciones sobre la propiedad inmobiliaria en el ejercicio fiscal 2020, para transitar a partir del ejercicio 2021 en el fortalecimiento de las adecuaciones correspondientes a las tasas aplicables para el cobro de las mencionadas contribuciones, y en el caso de que los Municipios estimen necesario la incrementación de los valores, porque desde la reforma de 1999 se dotó de una facultad discrecional a los Ayuntamientos municipales para proponer, en su caso, a las Legislaturas Locales la modificación de los valores unitarios de la propiedad inmueble de su circunscripción y las nuevas tasas aplicables del impuesto predial.

2018-2021

H. CONGRESO DEL ESTADO
DE COLIMA
LIX LEGISLATURA

QUINTO.- Como se ha indicado en los dictámenes que previamente sometió a consideración la Comisión de Hacienda, dentro de los trabajos desarrollados para dar seguimiento a las tablas de valores propuestas por los Ayuntamientos, el día 11 de diciembre de 2019, en una apertura al fortalecimiento de las Haciendas Públicas Municipales, fue atendido en reunión de Trabajo que inicialmente no estaba prevista, el Ayuntamiento de Manzanillo, a la cual solamente acudió el Tesorero Municipal, M. C. Eduardo Camarena Berra, el Director de Catastro, Ingeniero José Daniel Topete Gómez y el Director de Ingresos, Licenciado Héctor Valdez Magaña. En su intervención se destaca, en correlación a lo también informado con funcionarios técnicos hacendarios del Gobierno del Estado, que se ejecutó un trabajo detallado y coordinado por el Colegio de Valuadores del Estado de Colima, por el cual se pagaron con recursos públicos los estudios de gabinete y de campo por un monto superior al millón de pesos y que no obstante se hicieron llegar con la anticipación debida a la Comisión de Hacienda del Ayuntamiento de Manzanillo, los integrantes de aquella no resolvieron a tiempo la petición correspondiente. Conforme al anexo documental se desprende que desde el 10 de octubre de 2019, el Director General de Catastro Municipal a través del oficio CAT-479/2019, solicitó a la Secretaría del Ayuntamiento la remisión al Cabildo correspondiente, como también que mediante oficio PM 705/2019 se generó informativo a correo electrónico a los regidores del Cabildo Manzanillense y para ser analizado en la próxima sesión, como también un acuse de recibo del oficio SHA/831/2019 de fecha 11 de octubre de 2019, acuse estampado el día 17 del referido mes y año, donde se informa al Regidor y Presidente de la Comisión de Hacienda C. Virgilio Mendoza Amezcua, que conjuntamente con la Comisión de Asentamientos Humanos y Vivienda, por acuerdo del propio Cabildo deberán elaborar el dictamen correspondiente para ser presentado en siguiente sesión. Luego, la remisión hasta el 9 de diciembre de 2019 de los documentos base de la presente Iniciativa que decidimos dictaminar y poner a consideración de este Pleno, pone al descubierto que los integrantes de la Comisión de Hacienda del Municipio de Manzanillo, no realizaron un trabajo a tiempo en el proceso de la dictaminación respectiva a su interior, no obstante que es reprochable la actitud omisa de las y los regidores que omitieron dictaminar lo pertinente y en torno a las Tablas de Valores Unitarios de Terreno y Construcción para el Municipio de Manzanillo y que se pretenden entren en vigencia a partir del 2020, esta labor de documentación, investigación, substanciación y determinación de la gravedad o no de esa falta, deberá ser en su oportunidad encauzada por el órgano interno de control de aquella municipalidad, esto por el riesgo que representa el no hacer lo que por mandato constitucional y legal está dispuesto. Por ello debe precisarse que no obstante es

2018-2021

H. CONGRESO DEL ESTADO
DE COLIMA
LIX LEGISLATURA

del interés de quienes legislamos fortalecer la Hacienda Municipal , porque el dictamen busca como principal objetivo el proteger el recurso que por pago de impuesto predial recauda el Ayuntamiento de Manzanillo y que está en riesgo de verse quebrantado por la existencia de impugnaciones que hemos constatado han iniciado en municipios como Colima y Villa de Álvarez y en donde no existió, al menos a juicio nuestro, una defensa férrea de las finanzas municipales y del cobro de dicho tributo. Por ello, en aras de tutelar precisamente el contenido de la fracción IV, del artículo 115 de la Constitución Política de los Estados Unidos Mexicanos y considerando que hemos ampliamente indicado en esta Tribuna, que en pasadas legislaturas no existió el respaldo en la aprobación de las tablas de valores unitarios de terreno y de construcción, que sienten la base de los valores catastrales determinantes para el cobro del Impuesto Predial, ni existió tampoco por parte de los Ayuntamientos la voluntad de ejercer esa facultad discrecional de proponer los mismos a ésta Soberanía.

SEXTO.- En efecto, no obstante que es reprochable la actitud omisa de las y los regidores que omitieron dictaminar lo pertinente y en torno a las Tablas de Valores Unitarios de Terreno y Construcción para el Municipio de Manzanillo y que se pretenden entren en vigencia a partir del 2020, esta labor de documentación, investigación, substanciación y determinación de la gravedad o no de esa falta, deberá ser en su oportunidad encauzada por el órgano interno de control de aquella municipalidad, esto por el riesgo que representa el no hacer lo que por mandato constitucional y legal está dispuesto. Por ello debe precisarse que no obstante es del interés de quienes legislamos, el poner a consideración este dictamen que tiene como principal objetivo el proteger el recurso que por pago de impuesto predial recauda el Ayuntamiento en mención y que está en riesgo de verse quebrantado por la existencia de impugnaciones que hemos constatado han iniciado en municipios como Colima y Villa de Álvarez y en donde no existió, al menos a juicio nuestro, una defensa férrea de las finanzas municipales y del cobro de dicho tributo.

SEPTIMO.- Así, sabedores de que durante aproximadamente dos décadas no se han actualizado los valores a la base más cercana a la de mercado, existe la necesidad de que este Poder Legislativo en cumplimiento de una disposición Constitucional Federal derivada de la reforma publicada en el Diario Oficial de la Federación del 23 de diciembre de 1999, fortalezca la Hacienda Pública Municipal, porque conforme a nuestra propia Constitución Política del Estado Libre y Soberano de Colima, de la fracción III, del artículo 33 y primer párrafo del 34, se desprende que este Congreso del Estado de Colima tiene facultad para legislar sobre la organización y funcionamiento del Municipio Libre, en los términos

establecidos por la Constitución Federal y de cumplir las facultades que en el orden federal determinen la Constitución Federal.

OCTAVO.- Por ello ponderamos que si bien en el marco normativo Local existió un tiempo normado para la remisión de los Proyectos correspondientes a tablas de valores unitarios definitivos o provisionales, quienes aquí hacemos nuestra la iniciativa, consideramos que es de mayor valía e importancia el cumplimiento de un orden constitucional que nos vincula a emitir el acto material y formalmente legislativo a través del cual se apruebe año con año las tablas de valores unitarios de suelo y construcciones, resultando indispensable entonces que a partir del 1º de enero de 2020 se fortalezca la recaudación del impuesto predial en la Hacienda Pública Municipal de Manzanillo, porque es evidente que no se estarán efectuando incrementos lesivos a los contribuyentes de dicho tributo, lo cual refleja que durante el año 2020 aquellos cubrirán substancialmente sobre la misma tabla que en el actual ejercicio fiscal 2019 han venido contribuyendo, con las salvedades de los ajustes inflacionarios y del rango de valor de la Unidad de Medida y Actualización vigente a partir del año 2020. Adicional a lo expuesto, la propia normativa contenida en la Ley para el Registro del Territorio del Estado de Colima, expresa como límite para la aprobación por ésta Soberanía hasta el 20 de diciembre de cada ejercicio fiscal. Esto sin que con ello se entienda que no exista alguna responsabilidad administrativa por parte de los Munícipes omisos en consignar con la debida anticipación las Tablas correspondientes, máxime que como fue expuesto anteriormente, acudió personal de la Tesorería y del Catastro del Municipio de Manzanillo, como áreas técnicas involucradas en los procesos respectivos.

NOVENO.- De tal forma que, como lo hemos indicado en los dictámenes precedentes, si algunas interpretaciones sugieren que las tablas publicadas con inicio de vigencia del año fiscal 2002 se encuentran desfasadas, es ésta la oportunidad jurídica y el momento legislativo para transitar en el primer paso para consolidar la recaudación de un impuesto integrante de los ingresos propios de los Municipios del Estado de Colima, ya que el proceso reformativo del artículo 115 de la Ley Fundamental tuvo la finalidad básica de incrementar la recaudación del Municipio, lo que implica que la reforma se hizo en su beneficio, para actualizar valores de la propiedad raíz conforme al valor de mercado que generalmente es más alto que el que aparece registrado catastralmente. Luego, igualmente resulta notorio que quienes han venido tributando sobre las bases ya normadas en las referidas tablas, tampoco resentirán agravio alguno.

2018-2021

H. CONGRESO DEL ESTADO
DE COLIMA
LIX LEGISLATURA

DECIMO.- Conforme al análisis jurisprudencial que ha abordado nuestra Suprema Corte de Justicia de la Nación, el impuesto predial ha sido definido como "el gravamen que recae sobre la propiedad y posesión de los bienes inmuebles"; doctrinariamente, el impuesto predial ha sido clasificado como un gravamen directo que recae sobre el poseedor o propietario del inmueble; también se clasifica como real, debido a que gravan valores económicos determinados por una cosa o un bien (suelo, o éste y las construcciones adheridas a él); y local, ya que es el Municipio, el orden de gobierno que se encarga de su recaudación y control, aunque quienes establecen el gravamen son las Legislaturas Locales en acatamiento a lo establecido en la fracción IV del artículo 31 de la Constitución Política de los Estados Unidos Mexicanos.

DECIMO PRIMERO.- Efectuado que ha sido el análisis de la iniciativa materia del presente dictamen, la Diputada y los Diputados que integramos esta Comisión Legislativa, consideramos su viabilidad y proponemos a la Asamblea la aprobación de las tablas de valores unitarios de Terreno y Construcción que solicita el Municipio de Manzanillo, Colima, porque se trata en un primer momento de cumplir un mandato constitucional, en el que se previó el ejercicio de una facultad discrecional a los Ayuntamientos y para el fortalecimiento de sus finanzas públicas municipales, de tal forma que si algunas interpretaciones sugieren que las tablas publicadas con inicio de vigencia del año fiscal 2002 se encuentran desfasadas, es ésta la oportunidad jurídica y el momento legislativo para transitar en el primer paso para consolidar la recaudación de un impuesto integrante de los ingresos propios de los Municipios del Estado de Colima, ya que el proceso reformativo del artículo 115 de la Ley Fundamental tuvo la finalidad básica de incrementar la recaudación del Municipio, lo que implica que la reforma se hizo en su beneficio, para actualizar valores de la propiedad raíz conforme al valor de mercado que generalmente es más alto que el que aparece registrado catastralmente.

DECIMO SEGUNDO.- Esta Comisión Dictaminadora, estimó que no es indispensable proponer a la Asamblea realizar modificaciones a los elementos y factores que conforman las tablas propuestas por el Ayuntamiento, facultad que se desprende de la fracción III, del artículo 134, de la Ley del Instituto para el Registro del Territorio del Estado de Colima, como también de la fracción V, del artículo 91 de la Ley Orgánica del Poder Legislativo del Estado de Colima, y 130 de su Reglamento, porque esto conllevaría a establecer condiciones para una motivación reforzada, cuando es básico que la pretensión inicial para el año 2020 es validar los cobros que se ejecutan por las Haciendas Municipales, sin lesión mayúscula a los bolsillos de los contribuyentes del Estado de Colima, y que se encuentran en los supuestos

de pago del impuesto predial consignados en la Ley de Hacienda de cada uno de los Municipios.

DECIMO TERCERO.- Bajo el contexto de los argumentos anteriormente descritos, la Diputada y los Diputados que integramos la Comisión de Hacienda, Presupuesto y Fiscalización de los Recursos Públicos, sometemos a esta Soberanía el Proyecto de Dictamen para la aprobación de las Tablas de Valores Unitarios de Terreno y Construcción del Municipio de Manzanillo, Colima, para el ejercicio fiscal 2020, tutelando el principio de Libre Administración de la Hacienda Municipal que el poder reformador estableció en nuestra Carta Magna, la autonomía y autosuficiencia económica de los municipios, así como el fortalecimiento de sus finanzas a través de las referidas tablas, esto porque igualmente en esa facultad discrecional de que disponen los Ayuntamientos, fue previsto que en caso de que, a algún sector o parte del mismo no se le haya asignado valores unitarios de terreno o habiéndosele asignado hayan cambiado las características esenciales en el período de su vigencia, cada Ayuntamiento podrá fijar provisionalmente valores unitarios, tomando como base los aprobados para algún sector catastral con características similares; de tal manera que tanto los valores unitarios de terreno y de construcción aprobados, así como los valores en su caso, serán la base para la determinación de los valores catastrales, tal y como lo expresan los numerales 136 y 137, de la Ley del Instituto para el Registro del Territorio del Estado de Colima.

Por lo anteriormente expuesto, se expide el siguiente

D E C R E T O N O . 2 1 0

ARTÍCULO ÚNICO.- Este Honorable Congreso del Estado aprueba las Tablas de Valores Unitarios de Terreno Urbano, Rústico y Construcción del Municipio de Manzanillo, Colima, para el ejercicio fiscal 2020, para quedar como sigue:

TABLAS DE VALORES DE TERRENO URBANO, RUSTICO Y CONSTRUCCIÓN DEL MUNICIPIO DE MANZANILLO, COLIMA, PARA EL EJERCICIO FISCAL 2020

ARTÍCULO 1º.- En el Municipio de Manzanillo durante el ejercicio fiscal 2020, estarán vigentes las tablas de valores unitarios de terreno y construcción:
